## Heinzmann Governing

**Course Code:** MPHZN

**Duration:** ½ Day

### Course Overview:

This course is suited for personnel who use engines fitted with this electronic governor. An in-depth knowledge and understanding of programming, set-up and mechanical fitting will be gained from this course and recommended for anybody who has units in their fleet fitted with this governor or under service contract.

### Content:

This course includes both classroom lectures and practical hands-on training, which will help the trainee to understand and be confident in the control, operation and set-up of this governor.

### The main areas covered on the course are as follows:

- Governor Overview
- Alarm/Shutdown settings
- Adding options
- Mechanical Fitting
- Wiring Diagrams
- Programming/Using dedicated software
- Fault Diagnosis
- Twin Bank Governing
- ECM/Heinzmann Actuator

### Additional Course Details:

A Marapco Training manual will be provided, each successful candidate will receive a certificate of attendance.
