## Marapco Transfer Panels

**Course Code:** MPATS

**Duration:** ½ Day

### Course Overview:

This course is suited for personnel who have Jubaili transfer panels installed in Standby Application sites or bespoke applications. An understanding of programming, set-up and mechanical fitting along with an in-depth knowledge will be gained from this course and recommended for anybody who have these installed.

### Content:

This course includes both classroom lectures and practical hands-on training, which will help the trainee to understand and be confident in the control, operation and set-up of this Transfer panel.

### The main areas covered on the course are as follows:

- ATS Overview
- Wiring Diagrams
- Programming
- Alarm/Shutdown settings
- Fault Diagnosis

### Additional Course Details:

A Marapco Training manual will be provided, each successful candidate will receive a certificate of attendance.
